Market

Challenges

What are those **challenges** around cash

What keeps retailers **awake** at night?

...and what reasons drive them to **action**?

We have clustered and defined them as
7 Key Challenges

We see 7 reasons why retailers want to optimise their 'cash' processes

Crime Prevention

Continuity

Cashflow

Customer Focus

Convenience

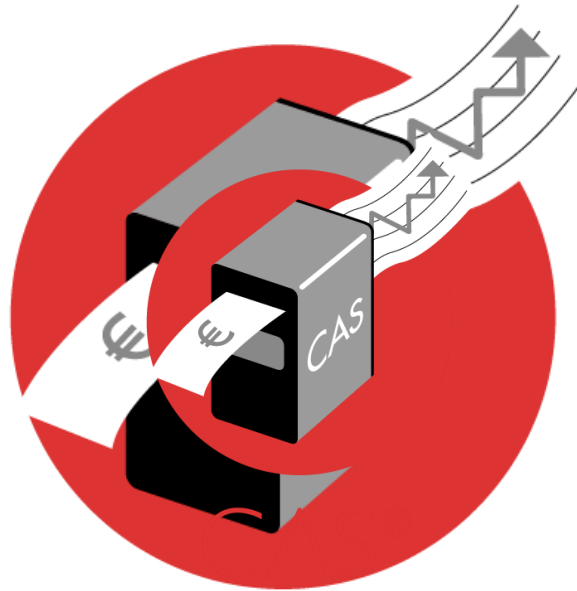

Cost Efficiency

Control

Cash Deposit Solution

CAS[®]

Cash Deposit Solution

WHY

We believe that we can **help** our **clients improving** their **cash payments process**

HOW

By **combining** cash **services and** cutting edge **technologies**, CDS makes the process of **handling cash simpler**, **safe** and **more efficient** for our customers enabling them to focus on their business and **spend more time on their customers**.

WHAT

We **implement** cutting edge smart safe technology in our clients' stores which helps them to processes their cash fast, easy and efficiently. We provide a **full service concept** around this technology ranging from secure transportation and cash processing to POS integration, equipment financing, management reporting and bank settlement.

Cash Deposit Solution

Rates are all-in! Not depending on stops
